3 PARTNERS ARE METROPOLITAN CITIES

The Alpine Space & LUIGI pilot regions

The LUIGI project has identified **10 pilot regions**.

Within those 10 regions, **19 case studies** were implemented.

The Alps present a **great variety of landscapes!**

METRO-MOUNTAIN

from an issue to an OPPORTUNITY!

**New frontiers
and economic
opportunities:
Work and study
in nature and
not just leisure
time!**

**Increase
Outdoor
experiences
and local
awareness**

**To govern the
movement towards
the countryside**

**Support green transition
of agriculture and farms**

**Increase biodiversity and promote
the value of biodiversity for quality
of life.**

**New multiple and integrated
services, technologies and
infrastructure to support transition
to green mobility and life**

**Better find and promote
some typical landscapes
and narratives**

METRO MOUNTAIN OPPORTUNITY!

Some considerations
